GEN X HUNTERS

Follow the clues! Unearth the riches!

A team should consist of 3 members.

The game consists of 3 rounds:

- **Round 1: MIGHTY-CHONDRIANS:** A quick quiz contest with picture puzzles.
- **Round 2: WHO'S THE HERO?:** Find the biological parent using DNA profiles and construct a family tree.
- **Round 3: JURASSIC WORLD:** Find the hidden fossil, identify the species by using hidden clues, and decode its DNA sequence.

CRIME CHRONICLES

How I met your murderer?

A team should consist of 3 members.

The game consists of 3 rounds and usage of mobile phones are strictly prohibited.

- **Round 1: BLOODY FINGERS**
Analyze the blood stain patterns and compare the given fingerprints and interpret the results.
- **Round 2: FORENSIC FILES**
Develop a story based on the given evidences. The team that comes up with a convincing and thrilling story will be selected for the final round.
- **Round 3: SNAPS AND ORDER**
Rearrange the given photos in order to get leads for further investigation. The team which finds the lead will be given the title BEST HOLMES.

BIOSCALES AND DNA TRAILS

A battle where no blood is shed!

A team should consist of 2 members

- Preliminary rounds will be conducted based on which 4 teams will qualify for the final round.
- The final event revolves around a board game, which is more of a biological replication of **JUMANJI**.

GREY MATTER

Challenge your mind's might and unlock the power of your grey matter

A team should consist of 2 members

- **Round 1: MOSAIC MADNESS:** Be ready to be dazzled with the pictures showed and be as swift as possible to rearrange the shuffled pictures.
- **Round 2: ECHO ECHO:** "Listen, Remember, Excel! Put your auditory skills to the test in the ultimate voice memorization challenge!"
- **Round 3: REEL REORDER:** "Unleash your inner director and piece together the perfect video!". Get ready to rearrange the video as per the standard operating procedures.
- **Round 4: IMAGE INSIGHT:** Unleash your visual prowess and race against time to unravel the hidden details! Master the act of picture perception by identifying the objects or parts of an image.

ENDLESS CHAOS

Unlocking the Chaos:
Where Science Meets Play

A team should consist of 3 members.

- **Round 1: BIOBRAIN BRAWL:** The Ultimate Biotech Quiz Showdown!!!!!! Test your skills and knowledge to ace the questions fired from different domains in the field of Biotechnology.
- **Round 2: DRAWN TO DISCOVERY:**
Unveil the Biotech visionaries by sketching their discoveries or experiments with the Whiteboard Or slate provided within the timeframe to earn points!!
- **Round 3: VOCAB VOYAGE:** "Uncover the Biotech Language". Recreation of "Oru Varthai Oru Latcham" where participants (Any 2 from the team) must give clues to identify the correct word.
- **Round 4: ENIGMA ESCAPE:** Riddle Challenge where participants must identify the particular word from the given timeframe. Watch out for buzz blast and surprise elements.
